

# LAWTON ELEMENTARY CAR LINE PROCEDURES

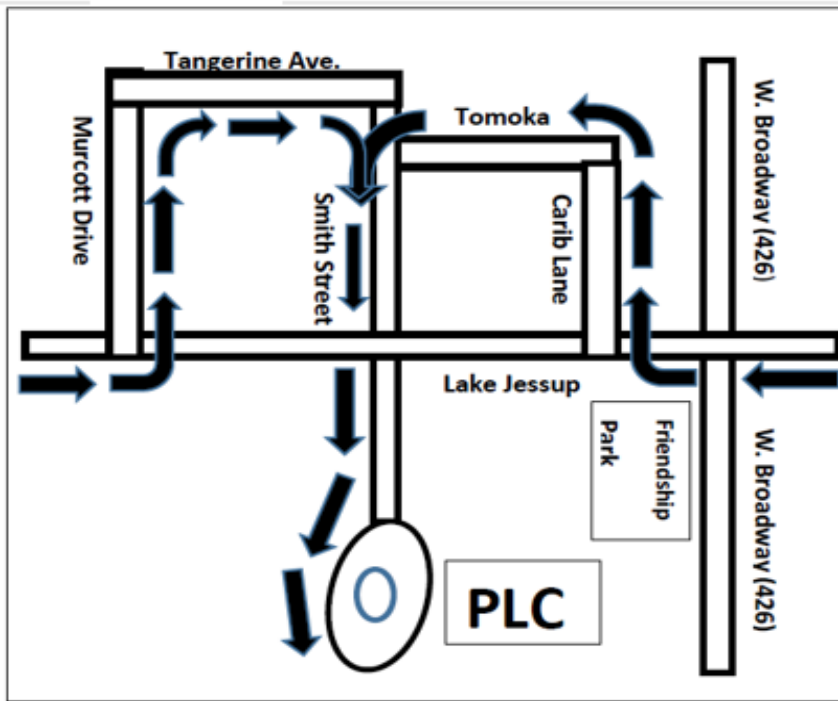

\*Please remember that students are not allowed on campus before 8:10am. Gates open at 8:10am each morning.

\*Afternoon car lines will begin at 3:00pm daily (2:00pm on Wednesdays).

\*In the afternoons, please have a Lawton Car Tag displayed in your window. If you do not have a tag, you will need to park and pick up your child in the office with a photo ID for student safety.

\*It usually takes a week or two for our carlines to run smoothly. Thank you for your cooperation and patience!

## PLC Car Line for Grades K-1 (and siblings)

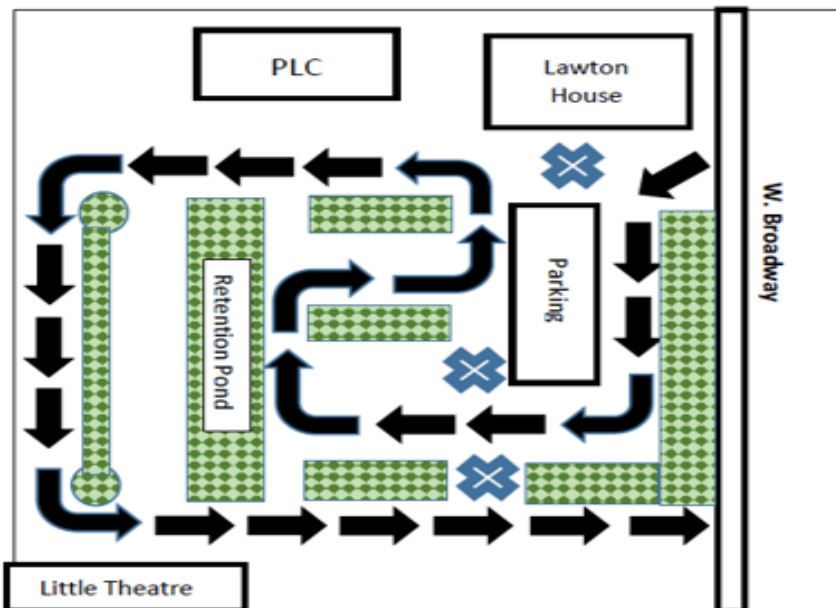

Lake Jessup is a heavily traveled street. We cannot have cars blocking traffic by lining up on the main road. Please enter the PLC Car Line in the morning and in the afternoon from Smith Street.

If traveling south on Lake Jessup Avenue from Broadway Street to reach Smith Street, turn right onto Carib Lane. If traveling north on Lake Jessup Avenue from Clark Street, turn left onto Murcott Drive.

Thank you for continuing to be aware of our bike riders and walkers who may need to cross the street in front of you to reach the sidewalk along Lake Jessup Avenue.

## Main Car Line for Grades 2-5

As you enter the school, please come from the east side of Broadway to enter the parking lot. This will help with the car congestion that is blocking the lanes (especially in the afternoons).

If you can please refrain from entering the line until 2:50pm (1:50pm on Wednesdays), we can avoid any blockage on Broadway.

Please exit onto Broadway Street and do not cut through Garden Street to Graham Avenue.
